

ETI to Attend RTECC in Santa Clara, 1/27/11

January 24, 2011

Randolph, MA & Santa Clara, CA—XTECH will be participating in the Real Time Embedded Computing Conference in Santa Clara, CA on January 27th, 2011.

Stop by and meet with Nancy Cole, the ETI Western Regional Manager, and O'Donnell Associates North for an overview of the latest in ruggedized and high performance front panel and enclosure solutions.

You can [register online here](#) and walk the floor show for free.

For additional information, please visit the [RTECC Santa Clara page](#).

To see other trade shows ETI will be attending, visit our [Trade Show](#) page.
